

SEQUESTRATION'S IMPACT IS FAR REACHING.

SO IS NTEU'S MOBILE-FRIENDLY LEGISLATIVE ACTION CENTER.

NTEU members can take action on pressing legislative issues, such as sequestration, using their smart phones and iPads. Visit <http://capwiz.com/nteu> from your mobile device or tablet to respond to NTEU call alerts and e-mail letter campaigns.

As a reminder, NTEU members can take action on legislative issues in the workplace, on their own time.

The mobile version of NTEU's Legislative Action Center may not be available on some tablets and older devices.
